Nominate up to four current/former US and/or PRC dignitaries, in order of preference. If you would like the dignitary's spouse to be invited, please list him/her in a separate nomination slot below.

Multiple requests for the same individual will be considered on the basis of sponsorship level and date of receipt of registration and nomination forms.

In accordance with the ethics rules of the US Government and the US Congress, companies may not invite employees of those institutions directly. Invitations must be issued by the US-China Business Council as the host of this event. Also, please refrain from inviting PRC diplomats directly.

We will do our best to accommodate your requests for VIPs, but we cannot guarantee all seating requests. **Once VIPs have been assigned to tables**, we will do our best to ensure their attendance. However, due to last-minute schedule changes and circumstances outside our control, we cannot guarantee all VIPs will attend. We recommend that sponsors actively follow up with their assigned guests to encourage attendance. Thank you for your understanding and cooperation.

I would like USCBC to invite the following current/former US and/or PRC dignitaries to consider placing as VIPs at my table:
